The **SJC Institution's Innovation Council** in association with Innovation & Entrepreneurship Development Cell celebrated “World Creativity and Innovation Day” **on 21st April, 2023** at, St. Joseph's College of Arts & Science (Autonomous), Cuddalore – 1. The Programme was coordinated by **Dr. R. Krishnan & Dr. S. Megala**, Assistant Professors from PG and Research Department of Microbiology 38 students participated in the programme.

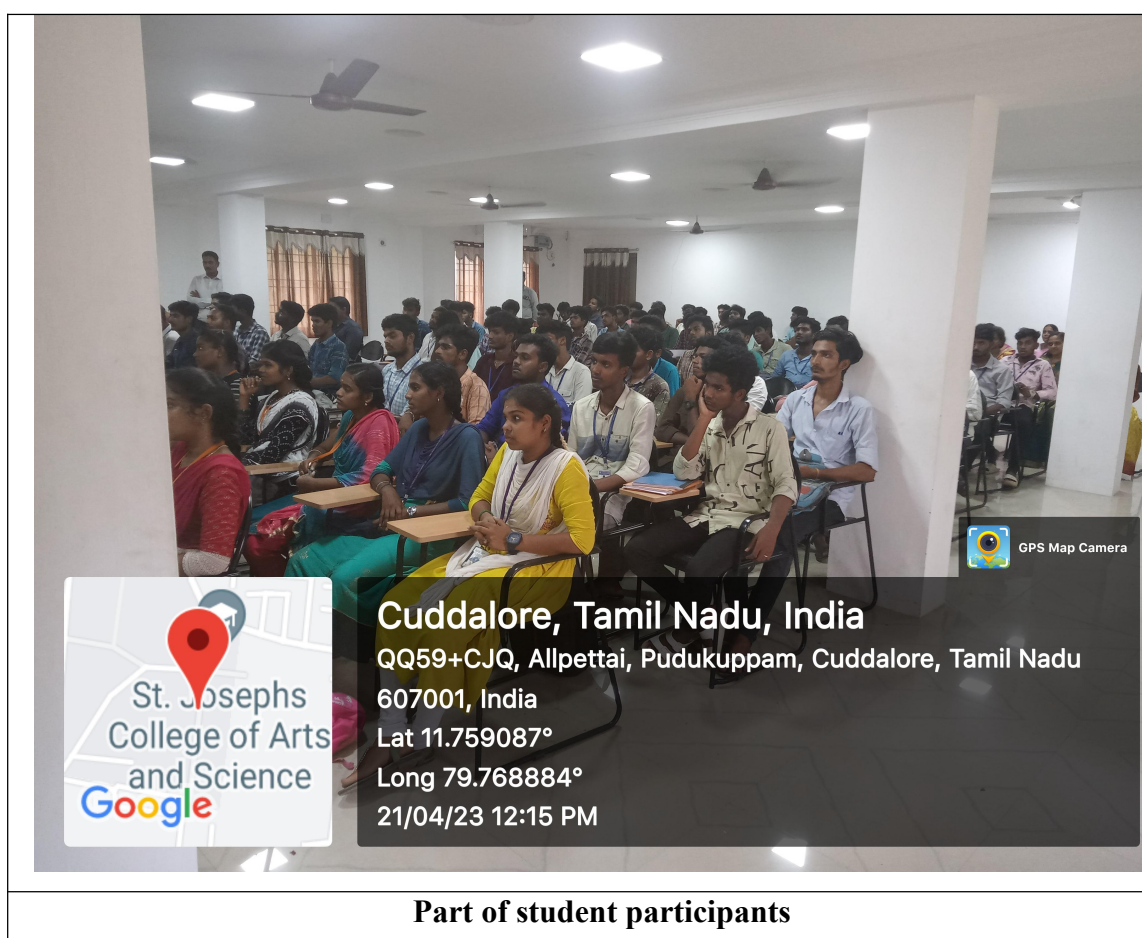

Objectives of the programme:

- To create awareness about the importance of creativity and innovation in solving global problems.
- Aims to promote the use of creative thinking in businesses, governments, and other organizations to foster innovation and growth.
- To improve existing ideas or develop new products using creativity and innovation.

Dr. K. M. Kumar, gave a lecture on World Creativity and Innovation Day. He clearly explained to solve old problems in new ways with the potential of finding better and more effective methods to accomplish the goals. The event aimed to inspire individuals to think outside the box and come up with innovative solutions to complex problems. It also emphasized the importance of creativity and originality in today's fast-paced world, where new ideas and inventions are essential for progress and development.

Outcomes of the programme:

The students are encouraged to remain creativity and innovation in solving global problems and aim to promote the use of creative thinking in businesses, governments, and other organizations to foster innovation and growth.
